# ABOUT GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY

Guru Gobind Singh Indraprastha University was the first university to be established by the Government of NCT of Delhi in 1988, with the aim of facilitating and promoting studies, research and development work in emerging areas of higher education with a special focus on professional education.

The University has earned the best of national accreditations, educational awards and acquires stringent certifications such as UGC's recognition under Section 2 (f) and 12 (b). The University has been graded as "A" by the National Assessment and Accreditation Council, Bangalore. It has attained AIU's Status of Regular Membership in November, 2008. The University has been recognized by Dun & Bradstreet as "Decide with Confidence" in its publication titled, "Universities of India 2008". The University has been selected among 250 top educational institutes in India for the Grand Book on Education, titled, "Star Brands Education 2010".

# ABOUT USLLS

Established in 2001, University School of Law and Legal Studies (USLLS) has acquired the status of a distinct institution of legal education in an unparalleled setting of multidisciplinary environment. It has emerged as a premier hub of legal education in India. It is the best college for law under GGSIP University. Also, the CET cut-off rank of USLLS (237) outperforms Amity Law School (1386) and VIPS (2000).

With the objective to serve as an institution of advanced legal studies, USLLS is the first University Law School established in the vicinity of the Supreme Court, Delhi High Court, various subordinate courts, Commissions, Tribunals and various monitoring offices of national and international voluntary organizations. Its Faculty is selected prescribing higher qualification than the University Grants Commission (UGC).

The course structure is contemporary and practice oriented with a special focus on legal ethics which attracts students from all over India and overseas. The law school, with a well-experienced and sincere regular faculty, conducts all the courses with professionalism and due value orientation.

Lately, USLLS has been ranked 10th all over India and 2nd in Delhi by India Today Survey of 2016, reporting it as one of the leading colleges in its list of "Top 25 Law Schools in India 2016".

## FROM THE DEAN'S DESK

I take great pleasure to introduce the Batch of 2019 of the University School of Law and Legal studies to the legal fraternity. We present to you a group of highly motivated and dynamic students who primarily are driven by their eagerness to learn.

USLLS, since its inception in 2001, has been a hub of academic excellence, critical thinking and holistic development. Other than academic rigor, our students have also proven their mettle in various academic and extracurricular activities. They have excelled in moot courts, published research papers and secured commendable prizes in various competitions. They have assisted in research and the law school has also made inroads into International arena by representing in international competitions like Phillip Jessup C Moot and .William C Vis International Arbitration Competition etc. They have secured admissions for LLM in prestigious foreign universities and are working in law offices in Dubai and Singapore.

In the area of placement also the performance of the law school has been excellent. Students are regularly placed as interns with various leading lawyers, law firms, corporate houses, NGO's, PSU's and the higher judiciary. This has helped them imbibe the practical knowledge which is especially crucial in the legal profession.

It is my honest beliefs that believe these students are conscientious citizens, dedicated individuals and most important hardworking students who have sound knowledge in field of law. This progress has been facilitated by brilliant former students of this law school who have made a mark for themselves in their respective domain and are doing remarkably well today making us immensely proud of our alumni. I sincerely reckon that given an opportunity that students of this batch shall prove indispensable asset to any organization that they are absorbed and shall strive towards contributing positively and fruitfully to the growth of that establishment as well as legal industry at large.

Prof.Kanwal D.P.Singh  
Dean, USLLS

## FROM THE PLACEMENT DESK

The Placement and Internship Cell of USLLS is pleased to announce the release of the Placement Brochure, 2019.

The brochure records the highpoints of the Batch of 2014-2019. It underlines the scale of activities of this batch. The batch participated in the moot competitions, debates, arbitration, mediation and other workshops in the Legal Aid. They have attended many national and international conferences, seminars, workshops in diverse areas, ranging from the environment to commercial laws, constitutional matters, etc. Many in the batch contributed research papers, published with various student journals and legal research institutions. The students are focused, and they have clarity about their plans of action. They have been pursuing certificate courses to buttress their qualification in the specialised areas of law that they wish to do.

The students have been enthusiastically working for their placements, and the core team of the students at the cell worked round the clock to provide internships for their batch and also for the juniors. The fraternal spirit in which the seniors and the juniors work as a team is an essential feature of the law school. The batch has also provided mentorship to the juniors. This process helps the juniors to be trained to look for internships and placements for themselves, and it helps in a smooth transition.

The students of USLLS are well-placed in different areas of the legal profession. This strong alumni base has strengthened the Placement and Internship Cell of the USLLS. The alumni readily assist the Cell, as when requested. There are also simultaneous efforts to expand the Cell's association with the various law firms, and other organisations requiring legal interns.

The students are encouraged to take up internships from the first year with two objectives: first, to attune and sensitise them to societal challenges and legal awareness and second, to facilitate practical training in drafting, writing plaints, preparing briefs, doing legal research and other dimensions of practical training in law. Efforts are made to prepare students for the profession of law.

With these observations, the Placement and Internship Cell of USLLS wishes all success to the batch of 2014-2019.

Queeny Pradhan  
Chairperson  
Placement and Internship Cell

# THE PLACEMENT RULES & PROCESS

1. The Cell shall endeavour to secure placements for final year students, through the arrangement of placement interviews, campus recruitments, and direct recruitments.
2. The Cell shall periodically inform the students of upcoming internship or placement opportunities through notices, e-mails and/or messages or other platforms.
3. Once the students are informed about the opportunities, interested students may apply by sending an e-mail to the official e-mail address of the Cell. Applications must be sent to the following e-mail address, placementcelluslls@gmail.com and CC the same to usllsplacementcell@ipu.ac.in.
4. In case a campus recruitment process is carried out, the students are required to be present throughout the process without fail.
5. Once a placement offer has been made to a candidate, he/she will be deemed to be placed and so it will amount to an automatic withdrawal from the campus recruitment process.
6. A student who has accepted a Pre-Placement Offer (PPO) with any firm/organisation, obtained through any manner whatsoever, must disclose the same to the Cell through e-mail within three (3) days of receiving such an offer.

## THE PLACEMENT PROCESS SHALL BE AS FOLLOWS:

- a. Firms are encouraged to conduct Pre Placement Talks (PPT) to interested students in the University giving important information such as the profile of the organization, career prospects, compensation packages, etc. Also, they are free to determine their own policy for the Screening Process to shortlist students.
- b. After the completion of Pre Interview Screening, the Firms shall formulate a Final Interview List which shall be communicated only to the Placement Cell, USLLS at least 72 hours (3days) prior to the interview day along with a wait list of students. In case any Applicant who is selected in the Final Interview List is not available for the interview then the Firms can interview the Waitlist Candidates instead, as per the rules and procedures.

- c. All interviews being conducted in the same day may be conducted in different time slots. The Firms will be required to disclose the results of their Final Interviews and any offer made to Applicant(s) only through the Placement Cell, USLLS which will be communicated in a sealed envelope.
- d. The Placement Cell, USLLS will revert to the concerned Firms within 48 hours (2 days) of receiving the sealed envelope containing the Merit List and the offer waitlist. At no point in time will there be any communication between the recruiter and the Applicant(s) in relation to the offer unless mentioned by the concerned Firm.

NOTE: The Placement Cell, USLLS, GGSIPU, New Delhi is the only authorized body to formally approach and communicate with the recruiters in relation to any recruitment process involving the Batch of 2019 at University School of Law and Legal Studies, GGSIPU, New Delhi. The decision of the Placement Cell, USLLS, regarding the selection of candidates at any stage of the Placement process shall be final and binding upon all the parties involved therein. Any attempt to communicate with the Recruiter will lead to the Applicant being blacklisted from the Placement Process.

FOR FURTHER DETAILS PLEASE REFER TO THE INTERNSHIP & PLACEMENT POLICY, 2018-19 OF USLLS, GGSIPU, NEW DELHI AVAILABLE AT IPU.AC.IN
