Notice inviting applications for Student-Academic Associates

Legal Entrepreneurship is best viewed as the process of achieving a distinctive, sustainable position in the economic market by the deliberate and innovative exploitation of one or more legal flexibilities. Legal Entrepreneurship and Incubation Cell (LEIC) is an attempt to devise new ways to amalgamate legal education with entrepreneurial training in the University Schools of Guru Gobind Singh Indraprastha University, New Delhi. The aim of this cell is to fill the gap between planning and implementation of the entrepreneurial training of students.

It is proposed to constitute a committee of 'Students-Academic Associates' to ensure a smooth introduction of entrepreneurial education into the University Schools and to make an appropriate strategy for the same. **The Legal Entrepreneurship and Incubation Cell, USLLS is now accepting applications for Student-Academic Associates for the academic year 2021-22 from all Undergraduate and Post Graduate students from all University Schools, from PhD Scholars and Alumni of USS Schools.**
