NATIONAL EXPO & CONFERENCE 2021, BHOPAL

15-17 MARCH, 2021

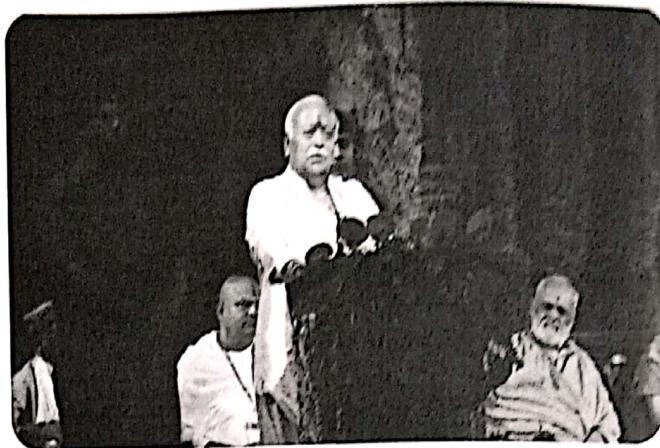

Organised By

• ORGANISERS •

Bharatiya Shikshan Mandal

Bharatiya Shikshan Mandal, founded in the year 1969, is working with the objective of National Resurgence in the field of education. It aims at evolving National Education Policy, Curriculum, System & Methodology based on integral Bharatiya vision, rooted in its eternal ethos and centered at overall development of the country. A number of

educational, intellectual and experimental activities are being conducted in all parts of the country both at school & higher education levels to actualize this noble mission of re-establishing Bharatiya Education System. The five-fold framework includes revamping the academic research to make it more purposeful, applicable and Bharat centric, bringing awareness on various aspects of Bharatiya system of education, quality enhancement of educational institutes through orientation programme, well researched and peer-reviewed reference materials to promote Bharatiya ethos and building as strong network of teachers, educational institutions and general public to infuse the salient features of Bharatiya system of education into present day system. The goal of Bharatiya Shikshan Mandal is the resurgence of Nation by performing the activities of research, orientation, training, publication and sytematization for developing an integral educational system from primary to higher levels that is based on Bharatiya values, nurtured by Bharatiya culture and Bharat-centric.

Research For Resurgence Foundation

Founded in 2017 at Nagpur, RFRF envisages Bharat as a strong contributor to global Scientific Tecnological and Academic Research in all fields of knowledge. Foundation has been planned & designed through aspiration of true researchers, academicians, policy makers and sensible industrial philanthropists. This foresighted movement has solution-oriented approach for ultimate goal of

achieving human-ecosystem balance. The core objective of RFR Foundation is to bring paradigm shift in research outcome, research methodology and promotion of innovation based technologies. Foundation has functional dimensions to strengthen & synchronize research, researchers, resources and reach. Foundation is a multi-domain, integrated research institute and a network of individuals, institutions, industries, innovators & influences Global level Advanced Research Centre for varied fields as an integrating platform for scientific community of the World and traditional researchers in all fields of knowledge is the core mission of the organization.

To,

Mananiya Mahoday/ Mahodaya.

Sub: Invitation for participation/contribution in ' सार्थक EduVision' educational exhibition to be held from 15-17 March, 2021 at Bhopal.

Manyavar,

Namaste.

Bharatiya Shikshan Mandal, founded on the auspicious day of Rama Navami in the year 1969, is working with the objective of national resurgence in the field of education. To strengthen these efforts, Shikshan Mandal has decided to organise an educational expo every year. This year, a grand international educational exhibition 'सार्थक EduVision – A fulfilling experience' is organised from 15 -17 March, 2021 at Minto Hall, Bhopal. Numerous educationists including 100+ Vice Chancellors, eminent personalities from various regions of Bharat working in the field of education, would be participating who will deliberate on the educational scenario of Bharat and the vision for next 50 years. These three days would comprise of Round Table with Regulators, Policy Panel Discussions and Special Lectures by eminent speakers.

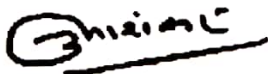

A Live demonstration of Gurukula System under the blissful gaze of life size idol of Goddess of Wisdom Maa Saraswati would be the main attraction in the theme pavilion. The grand journey of Bharatiya education from times immemorial to the present would be displayed in artistic panels. Relevant ministries of Central Government, representatives of various State Governments, Departments, Universities & Institutions will display stalls showcasing activities, achievements, mission & vision in the expo. The three-day mega event would witness the participation of thousands of eminent educationists from various institutions all over the country. Along with these educational luminaries, numerous local students, teachers, parents & citizens of Madhya Pradesh will visit and enjoy knowledge inducing attractions of the exhibition.

'सार्थक' EduVision is an unprecedented opportunity for the institutions working in the field of cultural & educational betterment and resurgence to effectively present their views, activities & achievements on a grand platform before the nation & society and provide the information on employment & entrepreneurship using educational advances and skill development in emerging Bharat.

Necessary details for taking up a leading role for participation/contribution in exhibition is attached for your kind perusal.

Dhanyosmi!

Warm Regards

Dr. Umashankar Pachauri
General Secretary,
Bharatiya Shikshan Mandal

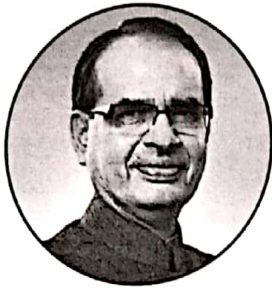

सार्थक EduVision 2021 - Conference & National Expo For Atmanirbhar Bharat

Edu Vision 2021 will be a combination of exhibition and conference, which will provide an excellent platform for educationists and academicians to discuss and chalk out the fundamental changes, needed to create Bharat centric education system. A three day movement will help to plan number of educational, intellectual and experimental activities to be conducted in all parts of the country, both at school and higher education levels, to actualize this noble mission of reestablishing Bharatiya Education System. सार्थक EduVision 2021 will be held from 15-17 March, 2021 at Bhopal.

Conference on National Education Policy

Conferences will be held on various topics related to evolving National Education Policy, Curriculum, System & Methodology based on integral Bharatiya vision for 3 days during सार्थक EduVision 2021 at Bhopal. Over 1500 delegates from all over Bharat are expected to attend.

Who will attend?

Educationists | Vice-Chancellors of various Universities
Academicians | Social & Political experts

सार्थक EduVision Co-organisers

Madhya Pradesh

'Growing Green Together' Madhya Pradesh, geographically occupying the central position is inevitably the heart of Bharat. Legendary Sanskrit poet Kalidas has described its beauty in his 4th century AD classic 'Meghdootam'. Such is the beauty of Madhya Pradesh that has been attracting travellers since aeons.

University Grants Commission

The University Grants Commission (UGC) came into existence on 28th December, 1953 and became a statutory Organization of the Government of Bharat by an Act of Parliament in 1956, for the coordination, determination and maintenance of standards of teaching, examination and research in university education.

All India Council for Technical Education

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner.

National Board of Accreditation

The National Board of Accreditation (NBA), India was initially established by the AICTE (All India Council of Technical Education) under section 10(u) of AICTE Act, in the year 1994, in order to assess the qualitative competence of the programs offered by educational institution from diploma level to post-graduate level in engineering and technology, management, pharmacy, architecture and related disciplines, which are approved by AICTE.

Rajiv Gandhi Pradyogiki Vishwavidyalaya

Rajiv Gandhi Pradyogiki Vishwavidyalaya (RGPV), also known as University of Technology of Madhya Pradesh, is a State University situated in Bhopal. It is a multi-campus affiliating, research university offering diploma, undergraduate, postgraduate, integrated, dual and doctoral courses in fields like engineering, technology, pharmacy, management, architecture, design and applied sciences.

MM Activ Sci-Tech Communication

MM Activ Sci-Tech Communication is committed to creating brands that enable knowledge sharing and business collaboration across various areas in Science & Technology and Business. MM Activ has been engaged in the field of Frontier Science and Technology through its key business vertical of Media, Events and Patnering and Advisory.
