About the organization:

Moglix is one of Asia’s largest and fastest-growing B2B Commerce companies, leveraging technology to transform procurement and supply chain for the manufacturing sector. We empower enterprises to improve profitability by consolidating their vendor base and digitizing their indirect procurement, leveraging our supply chain network, category expertise and technology backbone.

Our Vision

Our vision is to revolutionize every aspect of B2B commerce with technology. We want to enable manufacturing companies to unlock efficiency and growth by digitizing their procurement and supply chain.

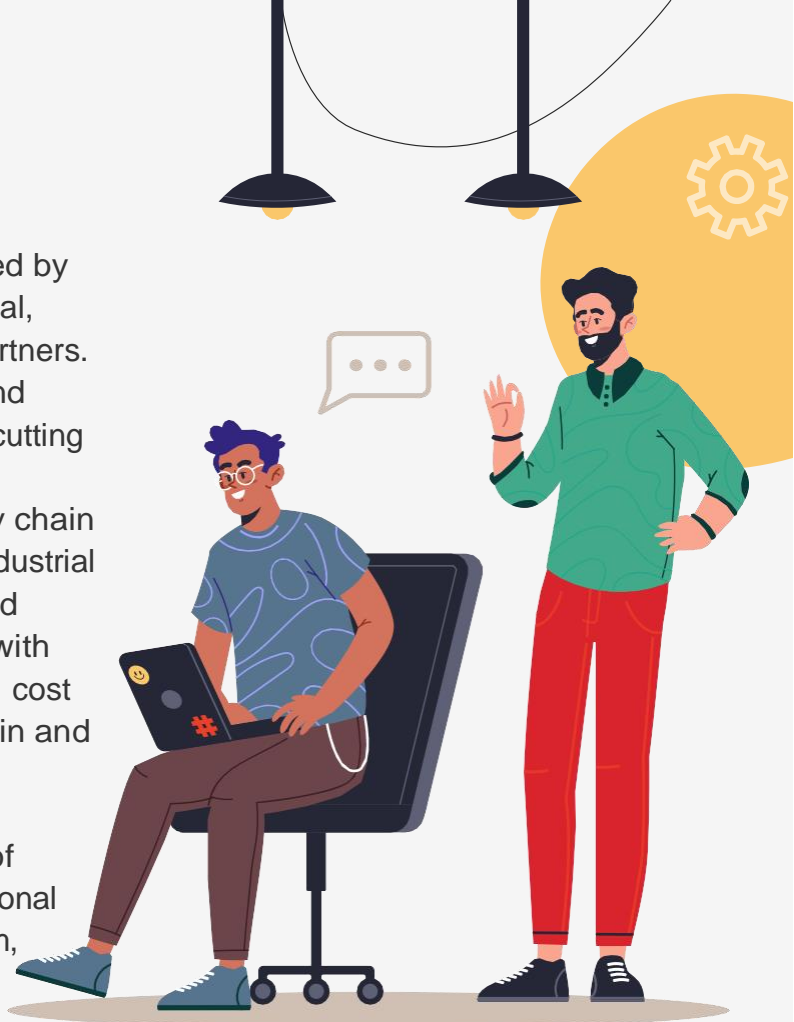

For more details pls visit our website : <https://business.moglix.com/about-us>

Who we are?

Moglix is Asia's largest and fastest growing B2B commerce start up. Founded in 2015 and backed by marquee investors like Mr Ratan Tata, Tiger Global, Sequoia Capital, Falcon Edge, IFC and Accel Partners. Moglix partners organizations in re-imagining and transforming commerce & supply chain through cutting edge technology.

We are a next generation procurement & supply chain partner enabling a single operating system for industrial supply chain needs: Procurement, financing, and logistics, integrated by technology. We partner with enterprises to offer greater predictability, visibility, cost efficiency and agility at scale to their supply chain and procurement practice.

Moglix is led by a passionate team comprising of alumni of ISB, IIMs, IITs, XLRI, MDI with professional experience at Google, Tata Steel, Amazon, Paytm, Delhivery etc. Some of the rewards & accolades we have received include Deloitte Fast 50 (fastest growing companies) 3 years in a row , CIPS Asia Supply Chain Management Award 2020 & Entrepreneur India Digital Enabler Award 2020

Who are we looking for?

We are looking for Passionate and Ambitious Graduates who have a hustlerattitude , can learn and adapt in changing environment.

What will you do?

You will be placed at front-line positions across functions such as Operations, Supply Chain, Procurement, Customer Success, Technology, etc. depending on your competencies, inclination and organization requirements. Your role could include anything from sourcing top-quality products to managing operations to farm and develop existing clientele or supplier base.

Opportunities we offer:

- Explore practical ways of learning while you earn.
- Work with leaders from renowned institutes who are innovators in action.
- Learn to multi-task at a workplace which is chaotic as well as exciting at the same time.
- Solve a new challenge everyday.
- Freedom to experiment, fail, learn and grow.

Here is what Life at Moglix looks Like:

As Moglix, we live & breath our core **values of Fearlessness, Agility, Collaboration, Integrity, Excellence & Innovation**. At Moglix, individually we are Patriots, Leaders, Technologists, Make in India and Digital India evangelists, Supply chain experts, Procurement transformation experts, Commerce experts, Financing experts and trustworthy partners for customers. Collectively we-re a unified team of 1100+ committed to achieving the very best process efficiency, organized supply chain, digital transformation for our customers, & having a lot of fun while doing so. We believe that if you are passionate about what you do, you shall go an extra mile for it. We at Moglix have replaced the concept of - Work Life Balance- with - Work Life Continuum. We do not believe in archaic methods of calculating productivity, your work should speak for you.
