Postponement of Counseling Dates for Admission Under Management Quota 2024-25

Due to heavy rainfall, ongoing Kavar Yatra in Uttar Pradesh, and numerous requests received from parents and candidates, the counseling dates for the Management Quota programmes for the 2024-25 academic year have been revised as very few students have reported for the counseling as originally scheduled.

The 1st round of counseling, originally scheduled for August 5, 2024, will now take place on **August 7, 2024**, for all existing programs. (B.Tech, MBA, BCA, B.Arch)

If seats remain vacant after the 1st round, the 2nd round of counseling will be held on **August 9, 2024**.

The list of students who applied online or offline has already been displayed on the Institute's website. All other instructions and notifications previously posted on the institute's website remain unchanged.

This change has been done for the interest of students who could not report on August 3rd or 5th for document verification and counseling.

Students who have applied online or offline and have their names on the applicant list already published on the Institute's website can come for document verification on August 7th, with all necessary original documents and GGSIPU Annexures.

The revised schedule is attached for your reference.
