Accenture through iAspire program

You’ve trained your students through college and prepared them to become the best professionals they can be. Now take the next step with iAspire, Accenture’s platform to help students to take control of their career and start writing their own success story that helps them meet their dreams and aspirations.

Ask how?

Accenture is giving an exclusive opportunity to your students to be a part of their **Summer internship selection process FY 25** through iAspire program. Get your students enrolled into iAspire platform and encourage them to participate in our upcoming contest.

As a first step, we request you to ask all **3rd year students from B.Tech and 1st year students from the Master’s program /2026 batch** on the given registration link by **6th Oct, 2024**. CCGPC will then share that list with Accenture for review.

Post review, Accenture will be triggering registration links directly to the candidates.

Encourage your students to register on iAspire and help them transform the way they work, learn and grow with Accenture.

LAST DATE FOR REGISTRATION IS 6th October 2024.
