12TH MARCH' 24**

About the Workshop

Are you passionate about creating sustainable buildings that harmonize with the environment? 🌍✨

AIC GGSIPU in collaboration with USAP is organising a workshop on "Building Environmental Performance Simulation for Architects & Designers" – an empowering workshop designed to equip students with the knowledge and skills needed for professional startups in Architecture & Planning. 🏗️💡

In this workshop, participants delve into the intricacies of building simulation and assessment, learning how to optimize environmental performance while enhancing design aesthetics. 🏡💚 Whether you're a budding architect, entrepreneur or a seasoned designer, this program offers invaluable insights to shape the future of sustainable architecture.

This workshop is not just an opportunity to learn but a stepping stone towards a greener, more sustainable future. 🌍✨

Don't miss out on this chance to make a real impact!

📅 Save the Date: 14 March - 15 March 2024

📍 Venue: Seminar Hall EDC, Surajmal Vihar, Delhi
