**Research with Impact with Oxford Journals (ONOS)**

***April 08, 2025 (Tuesday)***

***3:00 PM - 5:00 PM GMT+5:30***

**[Pre-Register here \(Limited seats only\)](#)**

The ONOS initiative brought us access to OUP entire collection of **375 journals** for 2025, covering all articles **published from 1996 to the present**. OUP draws on a prestigious research heritage and a deep understanding of the needs of researchers and academics. Attending this session will help you make your research journey more meaningful & impactful, helping you navigate the best articles available on the Oxford Academic platform.
