AR. AKSHITA HANS

Akshita Hans, an alumna of USAP, after completing her architecture, went to Mumbai for her Internship in Set Designing. She was the youngest Art Director of a feature film (Stree) & has worked with the likes of Dibaker Bannerjee and Dharma Productions. Her films have seen the light of several awards around the world- from Columbia to the Oscar Qualifiers in Brussels.

She then started her own venture, 'Story of Spaces', where she believes every Space has a story, and she wishes to be the Story-teller.

PRODUCER TO DIRECTOR : MANAGING ARCHITECTURE

SHREY GARG

Shrey Garg is an alumnus of USAP and has a post grad degree in Building Engineering and Project Management from the School of Planning and Architecture, New Delhi. He has worked with India's largest Architectural Design firms like Sikka Associates and currently working as a Project Manager with Space Matrix design consultants, a Singapore based MNC pursuing Workspace Design and Build Projects for Corporates across the world.

THE SOCIAL NETWORK

Ar. ATUL GARG

AGX Architects is a Delhi based architectural practice founded by Atul Garg in late 2018. It focuses on enhancing human experience through design and creates a connected community by providing better solutions through innovative thinking, design knowledge, critical understanding and collaborative approach. Previously, Atul has worked in Disaster Management as an Architect where he was involved in designing and proto-typing shelters and schools around India for vulnerable communities.
